

Brewery Starter Kit

for small breweries and tap rooms

0.4 Gallon Foam Unit
F1.5L

Sanitize tap room basket floor drains with this hand held unit. Also great for window and spot cleaning.

0.4 Gallon Spray Unit
SP1.5L

Table and bar top sanitation made easy with this ergonomic alternative to traditional trigger sprayers. Spray in any direction, even upside down.

0.4 Gallon Foam Unit with Drain Attachment
F1.5L-DP3.75

Prevent fruit flies and odors with a 3.75 inch attachment that covers sink drains for complete kitchen sanitation.

2.6 Gallon Dual-Power Foam Unit
F100

Light enough to be carried on a brewer's platform, this unit can be pressurized with compressed air and moved to the area to be cleaned.

1.3 Gallon Foam Unit with Drain Attachment
F5.0L-DF

A mid-size pump-up for small tank cleaning, general tap room and drain sanitation.
