

slide-out stand

CMS12X12

Features

- great for use under sinks or other equipment
- slides like a drawer on most hard surfaces
- keeps container off the floor – allows visibility and airflow underneath
- low profile – only adds 3.25 in. (8.25 cm) to container height
- durable HDPE construction
- holds containers with footprint up to 12 in. (30 cm) square
- easy to disassemble for thorough cleaning – snap together design uses no fasteners

industries

- institutional
- food and beverage
- manufacturing

the good stuff

- **small footprint**
holds containers with footprint up to 12 in. (30 cm) square, while only adding 3.25 in. (8.25 cm) to container height
- **easy to assemble, easy to clean**
assemble with a snap, no need for fasteners or hardware, providing easy assembly and cleaning
- **durable yet portable**
crafted from high-density polyethylene (HDPE) for lasting durability without sacrificing portability

specs

- **dimensions (assembled)**13.9 x 15.9 x 3.75 inches
(35.3 x 40.4 x 9.6 cm)

requirements

- **chemical compatibility**.....chemical products used with this equipment must be formulated for this type of application and compatible with unit materials and pump seals. For more information on chemical compatibility, consult the manufacturer or SDS for your product or contact our customer service department.
