

1.3 Gallon Foam Unit

F5.0L

The Good Stuff

- **Small size, big foam**
Same high quality foam output FOAMit is known for, in a highly portable unit
- **Foam anywhere**
When you need to clean specific surfaces, our pump up foam unit is there. Apply foam to hard to reach areas with the extendable wand
- **Power in your hands**
Take the power of foam cleaning with you regardless of access to compressed air. A few pumps is all it takes to get the job done

Features

- Compact unit with manual pump
- Maximum portability for small jobs and spot cleaning
- Comfortable grip handle with trigger for quick on/off Control
- Ability to switch between short and long wand assembly
- Pressure relief valve for safety
- Viton seals for chemical compatibility
- Natural color tank for easy visibility of product levels
- Product level fill markings in gallons and liters
