

Chemical Jug With Locking Cap

5 Gallon

The Good Stuff

- **Small in size, mighty in durability**
Crafted with robust, corrosion-resistant materials including polypropylene, polyethylene, and stainless steel, these jugs are built to last
- **Product levels at a glance**
Translucent polyethylene jugs allows quick visibility of product levels
- **Configure with color**
Caps come in a variety of colors to match your chemical management systems and quickly tell units apart

Specs

- Capacity5 gallons (18.9 liters)
- Tubing/fitting size.....jugs with suction fitting option include fittings for 1/4 in. (6.4 mm) inside diameter hose

Features

- Product level markings in gallons and liters
