

5L pump up mist unit

MU5.0L-PSG

Features

- compact unit with manual pump
- maximum portability for small jobs and spot cleaning
- comfortable grip handle with trigger for quick on/off control
- pressure relief valve for safety
- viton pump seals for chemical compatibility
- natural color tank for easy visibility of product levels
- product level fill markings in gallons and liters
- extra wide stability base

options

- available with a Heavy Duty Wand to replace standard wand extension

industries

- institutional
- kitchens
- food retail

how to buy

the good stuff

- **hard surface cleaning in a blast**
disinfect high traffic surfaces faster and more ergonomically than pull-trigger sprayers.
- **wide application of chemical**
nozzle guarantees a wide and even distribution of cleaning chemical where it's needed.
- **clean more, more efficiently**
from bar rooms to locker rooms, quickly apply chemical to everything, even funky surfaces like chairs and door knobs.
