

# 1.3 Gallon Spray Unit with Heavy Duty Trigger Gun

SP5.0L-PSG

## Features

- Built with a heavy duty trigger gun for added durability
- Compact unit with manual pump
- Maximum portability for small jobs and spot cleaning
- Pressure relief valve for safety
- Viton seals for chemical compatibility
- Natural color tank for easy visibility of product levels
- Product level fill markings in gallons and liters
- Extra wide stability base

## Industries

- Food and Beverage
- Institutional
- Agriculture
- Life Science

## The Good Stuff

- **Small size, big spray**  
Same high quality output FOAMit is known for, but in a portable unit
- **Spray anywhere**  
When you need to clean specific surfaces, our pump up spray unit is there. Apply chemical with the heavy duty trigger gun
- **Power in your hands**  
Take the power of cleaning with you regardless of access to compressed air. A few pumps is all it takes to get the job done
