

1.3 gallon spray unit

SP5.0L

the good stuff

- **small size, big performance**
high quality spray output in a portable unit.
- **spray anywhere**
when you need to clean specific surfaces, our pump up spray unit is there. Apply chemistry to hard to reach areas with the extendable wand.
- **power in your hands**
take the power of spray cleaning with you regardless of access to compressed air. A few pumps is all it takes to get the job done.

features

- compact unit with manual pump
- maximum portability for small jobs and spot cleaning
- comfortable grip handle with trigger for quick on/off control
- ability to switch between short and long wand assembly
- pressure relief valve for safety
- Viton seals for chemical compatibility
- natural color tank for easy visibility of product levels
- product level fill markings in gallons and liters
